

## Catch-up Funding 2014 - 2015

### Program

A further Catch –up premium of £500.00 per pupil is given to secondary schools to help support pupils who arrive in year 7 without a Level 4 or above in Literacy (reading) and numeracy.

This money is to pay for extra help so that these pupils catch up in literacy and numeracy.

Focus	What this does	Cost for catch up funding	New or continued	Monitored by	Intended outcomes
Maths Intervention	Teacher targeted intervention to Improve key Maths topic skills for low achieving students	£5748.00	Continued	Governors, education committee and senior leaders	Improved skills resulting in greater student confidence and to raise attainment in mathematics.
English Intervention	Specialist teacher support, both 1:1 and in class support to improve English	£1527.00	Continued	Governors, education committee and senior leaders	Improving key skills for low achieving students: narrowing the gap for underperforming students in reading and writing.
Support Staff	Train TA to deliver interventions alongside specialist teacher (not instead of)	£430.00	New	Governors, education committee and senior leaders	TA trained in literacy, language and maths interventions / strategies, able to deliver additional effective interventions to further close the gap.
Special programmes and package	Specialist support packages and equipment have been purchased such as Dynamic Learning for English	£1,295	New	Governors, education committee and senior leaders	Narrowed gap for English by improving spelling, punctuation, writing and reading skills.

Total Premium catch up Income	2014-15	£9,000.00	
Total Premium catch up Expenditure	2014-15	£9,000.00	

We measured the pupils' progress against the expected progress made by an average KS2 over the year.

The table below shows the impact that catch-up funding has had on our pupils. From the table we are able to see that all groups of pupils that have received the funding have made more than the average of 2.66 points of progress in both English and Maths. This suggest that these pupils are now starting to close the gap nationally against the average pupil.

	KS2	EoY7	Progress
KS2 Average	27	29.66	2.66
Maths Catch-up	21.28	25.14	3.85
Maths Catch-up PP	22.33	26.33	4
English Catch-up	22.14	27.28	5.14
English Catch-up PP	23	27	4
