June 2016

Dear Parents/Carers,

I am delighted that you have chosen Khalsa Secondary Academy as your child's school and look forward to working in partnership with you as your child goes through his/her schooling with us.

At Khalsa Secondary Academy, we believe that for many new Year 7 children, the move from primary to secondary school can create some degree of worry, especially since they will be meeting new students in their form. To help with their transition, all students in Year 7 will have the opportunity to participate in a residential trip to PGL Osmington Bay which is an activity centre in Dorset.

The focus of the residential will be on developing new skills, building confidence and self-esteem, teamwork, form group and year team bonding, as well as having fun. Research shows that such a residential experience early on in the school year helps the students to settle to secondary school routines and expectations more smoothly and also helps to foster positive friendships and relationships with their fellow students and teachers.

The details of this trip are as follows:

Dates: 31<sup>st</sup> October to 4<sup>th</sup> November 2016  
Transport: By coach  
Venue: PGL Osmington Bay, Dorset  
Cost: £180 including travel, accommodation and food, as well as the activities

Payment can be made in full or the cost spread as follows:

By 18 <sup>th</sup> July	£30 deposit non refundable
5 <sup>th</sup> September	£50
30 <sup>th</sup> September	£50
21 <sup>st</sup> October	£50

On returning to school in September, we will invite all parents to an information evening where you will receive further information.
