

Dear Parents

My name is Hew Miles, and I am the Head of Catering at Govinda's.

We are proud to have been asked to take over the provision of the catering at Khalsa Academy Secondary School. We will be providing the catering from the 20<sup>th</sup> April 2017, when the students return from the Easter Recess.

Govinda's place huge emphasis on providing high quality food, cooked fresh each day, in line with the Government School Food Trust guidelines, and Healthy Eating initiatives. We currently cater for 6 other schools in the London area, so are experienced in the providing healthy interesting foods that students like to eat.

There will be a mid-morning snack service, followed by a hot choice of western and Asian dishes, along with a light option available each day. We will also be offering a full salad bar and fresh fruits, along with school approved drinks. Our menus will shortly be available on the school website, and the price remains unchanged at £2.35 for a lunch meal and £1.50 for the light option. The Morning Break items will continue to be offered, with some new products introduced as well. The morning break items will be £1.00 each.

We recently held a Parents tasting evening and met with many of the parents and children that evening. The evening was a great success. We received positive feedback on the food, and listened to your concerns. We believe passionately that the food we serve has a role in the education of students and also engaged with the School Pupil Forum to discuss what they like and want to see improved about the food. We intend to hold another Parent tasting session and a Students Forum before the end of term.

We look forward to seeing you there!

Best Regards

Hew Miles  
Head of Catering  
Govinda's.
